

# Matchmaking Event

INDTECH2018 offers networking and interaction opportunities. Register and fill out the online matchmaking form. It is a quick and easy way to meet international partners.

30 October, 13:30 – 18:30

## Register online

and submit your profile:  
[www.indtech2018.eu](http://www.indtech2018.eu)

In addition to the R&I call topics of the Horizon 2020 NMBP Work Programme 2019 - 2020 ([NMBP Work Programme 2019-2020](#)) you can choose the following areas:

**Partner search:** Specify the rough project idea, as well as current and missing expertise required to form a convincing consortium.

**Product/service:** specify your business offer

**Request:** Create a request for anything specific you are looking for.

## Promotion

of published profiles

All published profiles will be extensively promoted by the organisers of this event. High quality profiles are visited about 50 to 150 times BEFORE the event and can still be viewed AFTER the event.

## Selection

of bilateral meetings

You will be informed by email when you can start booking bilateral meetings. Search for interesting cooperation profiles under the menu item “Participants”.

Once you have found the most promising innovation and business partners you can select them for bilateral meetings.

You will receive your **personal meeting schedule** a few days before the event (and you can constantly check your meeting schedule online).

# Interactive sessions

Discussions of particular topics in stimulating and inspiring debates, organized in two different formats.

## Interactive sessions

Participants are invited to **interactive and participatory sessions** in which particular topics will be discussed ranging from new and upcoming challenges to coping with the real world implications of new technologies. To have a **stimulating and inspiring debate** among participants, these sessions will be organised in two formats:

### World Café

Participants will **move** between a series of tables where they continue the **discussion** led by a table host in response to a set of predetermined questions focused on different topics and the specific goals of each World Café.

### Fishbowls

A small group of **around 6 participants** will discuss a specific topic, while a larger group can **listen and join** the discussion at any time.

#### World Café

##### Industry for people

31 October, 11:00-13:00

#### Fishbowl 1

##### Governance Systems

31 October, 14:30-15:30

#### Fishbowl 2

##### Networks/lab to fab/ecosystems

31 October, 15:30-16:30
